**1.2 CONFORMITY WITH GROUND AND FACILITIES CRITERIA**

- 1.2.1** Premier League of Victoria, State League and Provisional League Clubs whose grounds and facilities fail to conform to the minimum requirements stipulated in Regulation 14, have until the conclusion of the 1994 playing season to ensure that their respective grounds and facilities do conform.

If by this time any such club fails to conform to the minimum requirements they will be placed in a lower League or Division which is compatible with their grounds and facilities without regard to the position in which the Club finished in the said season at the discretion of the Federation.

**1.3 ARRANGEMENTS APPLYING UNDER REVISED REGULATIONS**

- 1.3.1** Subsequent to the adoption of these Regulations (as revised) then the Board shall have power to make and to vary procedures and/or rules of competition governing the structure and membership of leagues and the provisions for promotion and relegation between and within those leagues and any other leagues or bodies provided that any such bylaws and/or rules of competition are made and published at least thirty (30) days prior to the season or competition to which they relate.
- 1.3.2** Any procedures or Rules of Competition made in conformity with 1.3.1 (above) shall have the same force as though forming part of these Regulations.

-3-

**REGULATION 2.**

**2.0 COMPOSITION OF LEAGUES, RELEGATION AND PROMOTION**

**2.1 PREMIER LEAGUE (COMPOSITION AND OTHER MATTERS)**

- 2.1.1** The Premier League shall consist of a single division comprising no more (nor less) than fourteen (14) clubs.

- 2.1.2** The clubs finishing in 13th and 14th place at the end of the league championship season shall be relegated to Division 1 of the State league, except that

(i) should there be a vacancy occurring due to the withdrawal, suspension or expulsion of a club finishing in first to thirteenth (13th) positions at the end of the league championship season or should there be only one club eligible or willing to be promoted from Division 1 of the State League, then the club finishing in thirteenth(13th) position shall (provided it meet all the then required criteria applying to a club in the Premier League) not be relegated;

(ii) should there be two or more vacancies occurring due to the withdrawal of two or more of the clubs finishing in first to twelfth positions or should there be no club eligible or willing to be promoted from Division 1 of the State League then the teams finishing in thirteenth and fourteenth positions shall (provided they meet all the criteria then applying to a club in the Premier League) not be relegated;

(iii) should a club or clubs be relegated from the National League then it or they shall be placed in the Premier League and, if that placement would mean that there would be more than fourteen clubs nominally entitled to membership of the Premier League, then the clubs finishing in twelfth or eleventh (or next higher) place at the end of the league championship season shall, subject to the logical extension of (i) and (ii), above, be relegated to State League Division 1.

**2.2 STATE LEAGUE (COMPOSITION AND PROMOTION OF CLUBS)**

- 2.2.1** The State League shall consist of not less than three (3) nor more than four (4) divisions each comprising not more than fourteen (14) clubs, except for Division Four which may consist of fifteen (15) Clubs during the 1994 Championship season.
- 2.2.2** At the end of the league championship competition the teams finishing in first and second positions of Division 1 shall (provided they meet all the criteria then applying to a club in the Premier League) be entitled to be promoted to the Premier League provided that
  - (i) the club or clubs apply in writing to the federation for promotion to the Premier League within twenty eight (28) days of the last league championship game in the season;
  - (ii) the club(s) provide evidence of sound administrative and financial resources;
  - (iii) the clubs comply with the requirements of the Rules, Regulations and Procedures and Rules of Competitions of the federation.
- 2.2.3** If due to promotion, re-assignment, suspension, expulsion or otherwise of a Premier League club or clubs or the refusal of a State League club or clubs to accept promotion to the Premier League there exist a casual vacancy or vacancies in the Premier League then any such casual vacancy or vacancies shall be filled entirely at the discretion of the Board.
- 2.2.4** Nothing in the foregoing shall prevent clubs which would not otherwise be entitled to promotion to the Premier League from making similar application. Such clubs, however, have no inherent right to such promotion which shall be entirely at the discretion of the relevant sub-committee and of the Board.
- 2.2.5** The Board need not give and shall not be required to give any explanation for the failure to accept any application for promotion to the Premier League.
- 2.2.6** These provisions (insofar as the text be appropriate) shall apply to clubs seeking promotion from State League Division 2 to State League Division 1; from State League Division 3 to State League Division 2 or from State League Division 4 to State League Division 3.

- 2.3.1** The clubs of State League Division 1 finishing in 13th and 14th place at the end of the league championship season shall be relegated to Division 2 of the State league, except that
  - (i) should there be a vacancy occurring due to the withdrawal, suspension or expulsion of a club finishing in first to twelfth positions at the end of the league championship season or should there be only one club eligible or willing to be promoted from Division 2 of the State League, then the club finishing in thirteenth (13th) position shall (provided it meet all the then required criteria applying to a club in the First Division of the State League) not be relegated;
  - (ii) should there be two or more vacancies occurring due to the withdrawal of two or more of the clubs finishing in first to twelfth positions or should there be no club eligible or willing to be promoted from Division 2 of the State League then the teams finishing in thirteenth and fourteenth positions shall (provided they meet all the criteria then applying to a club in the First Division of the State League) not be relegated;
  - (iii) should a club or clubs be relegated from the Premier League then it or they shall be placed in Division 1 of the State League and, if that placement would mean that there would be more than fourteen clubs nominally entitled to membership of State League Division 1, then the clubs finishing in twelfth or eleventh (or next higher) place at the end of the league championship season shall, subject to the logical extension of (i) and (ii), above, be relegated to State League Division 2.
- 2.3.2** The above provisions shall apply (insofar as they be appropriate) to relegation from Divisions 2, 3 and 4 of the State League.
